

The CCOA membership category of researcher is intended to support members who are currently committing the majority of their career toward research activities (vs. active practice). These members will most often function in the capacity of a faculty researcher or full-time student researcher. Members who are engaged in research activities as an adjunct to their chiropractic practices have the support of the CCOA in terms of continuing competence credits for research related studies or activities.

Applications for Research status are reviewed by the Registrar for presentation to Council. It is the responsibility of the applicant to provide all the necessary information and documentation with the application form. Delays in submitting a complete application may impact the amount of possible refund (if the application is approved).

Application for researcher status must be made **each year**. If your application is approved, the following applies:

Application received	CCOA membership fees	Marketing & Promotions Program dues
Between Jul 1 – Sep 30	Eligible for a 50% reduction	Exempt
Between Oct 1 – Dec 31	Eligible for a 25% reduction	Exempt
After Dec 31, but before Jun 30	Not eligible for reduction	Exempt

Any applicable refund will be provided after Council approval and based on the date received.

Application for Researcher Status

Name:	Practice Permit #:
Clinic address:	Email:
City:	Postal code:
